Updated 3/31/22

Ranking Matches

Ranking matches are major, significant national or international level competitions that include elite level scores. USA Shooting will post a list of designated Ranking Matches. The ranking matches that we currently have as approved are as follows:

PLEASE NOTE: Due to unforeseen circumstances matches can be added or removed due to cancellation at any time. Our intent is to only add matches however if a match should be cancelled it will be removed from this list. Due to this it is in the best interest of all athletes to attend the listed matches regularly to ensure you have scores on file. Do not assume that you will be able to get scores later.

Other Domestic and International Ranking Matches

Match Organizers may petition to have a domestic competition designated as a Ranking Match. Athletes and/or clubs may petition to have an international competition designated as a Ranking Match. These approvals must be done at least one month prior to the competition in question taking place. Criteria considered will be:

- The match should be a major competition of the year. Matches that are part of a weekly or monthly series would not qualify.
- The match should expect to draw over 100 competitors from across the country and should include high-level competitors from at least five states or five countries.
- The course of fire must be the current ISSF course of fire.
- Range facilities should be world-class and must use electronic targets.
- The match should expect to have at least five world-class scores posted, defined as the average 15th place score from the previous two years' World Cups. Currently these scores are:
 - o Men's Air Rifle: 627.0
 - o Women's Air Rifle: 627.5
 - o Men's Smallbore: 1173
 - o Women's Smallbore: 1171
- Significant merchandise and/or cash awards are preferred.
- Submitting results from previous years that demonstrate the level of the competition is preferred.
